

EMERI FARINETTI

emerifarinetti@uniroma3.it

CURRENT POSITIONS

She is Associate Professor in Landscape Archaeology and Methods and Theory in Archaeology at the Department of Humanities (RomaTre University), where she teaches Mediterranean Landscape Archeology and GIS Applications in archeology. She runs the Landscape Archaeology Lab and the students' platform *Archaeo-land-shares: Integrating landscapes* for digital data sharing. She is research associate and staff member (assistant to the director for research) at the Italian Archaeological School at Athens and member of the CAA international since 2000. She is member of the advisory board of the Master's degree in Digital Earth & Smart Governance (RomaTre University) and of the inter-university PhD programme on "History, landscape and archaeological heritage". She teaches at Master's degrees at the Department of History of the Ionian University (Corfu-Greece).

She directs and coordinates research projects in Greece and Italy:

- *WeMALP - Western Megaris Archaeological Landscape Project* (Italian Archaeological School at Athens and Ephorate of Western Attica)

- *Ancient Haliartos House Mapping Project* (in the framework of the Bradford-Durham-Leiden Boeotia Survey project -Greece- in which she is involved since 1999)

- *Monti Lucretili Archaeological Survey Project* -Italy – (Monti Lucretili regional Park – Roma Tre University – Latium Archaeological Service)

- *The YDRO project* - cultural meanings to hydrogeological features in the Southern outskirts of the city of Rome (Roma Tre University – Italian National Geological Service – Appia antica regional Park)

She leads the research unit on palaeo-landscapes and geomatics for the *Therasia Island Research Project* (Ionian University). Previously she took part in several archaeological research and field projects in the Mediterranean, mainly as GIS and database manager and field survey director (Tanagra and Hyettos-Greece, Lemnos-Greece, Therasia-Greece, Trypiti-Greece, Pyrgos-Cyprus, Thamusida-Morocco, Tor Marancia and via Appia-Rome) and she coordinated the Cicolano Survey Project in the Apennine area in central Italy.

PREVIOUS POSITIONS

Post-doc positions (University of Thessaloniki, University of Leiden, University of Leuven 2007-2016), contract jobs as GIS and database consulting (Archaeological Service of Rome -SITAR project- and Archaeological Service of Eastern Attica 1999-2016), teaching contracts (University of Rome Tor Vergata and RomaTre -IT-, Ionian University-GR- and University of Leiden -NL- 2003-2014) and research grants (CNR 2000-2008). She was awarded the Rita Levi Montalcini Award for Young Scholars, provided by the Italian Ministry of Education and Research (2017-2020).

EDUCATION

PhD in Archaeology (2009 - University of Leiden); Master in Cultural Heritage management (2003 - Tor Vergata University of Rome); Postgraduate course in GIS (1999 - Scuola Normale Superiore di Pisa); *Laurea* (BA) in Ancient Greek History (1998 - La Sapienza University of Rome)

PARTICIPATION IN SCIENTIFIC COMMITTEES AND ORGANISATION OF SCIENTIFIC MEETINGS

She is a member of international societies (CAA, EAA) and she is involved in international research groups (IALA-LAC, Arkwork - Cost15201, ArcLAND ArchaeoLandscapes international). She is a member of the Scientific committee of the Journal (*Annuario*) of the Italian Archaeological School at Athens and reviewer for international journals (Journal of Greek Archaeology, Open Archaeology, Annuario ASAATENE) and the Archaeopress publications (Oxford).

She is responsible for the organisation of scientific meetings, lectures and events at the Italian Archaeological School of Athens (2017-2021). In 2009 she organised the International workshop "With the Adriatic in the Middle" at the University of Leiden (NL) and in 2019 the International scientific meeting "Local responses to the Roman impact on the Greek landscape", Italian Archaeological School at Athens

PARTICIPATION TO CAA-GR and CAA International Conference

CAA 2001, CAA 2003, CAA 2004, CCA 2005, CAA 2015, CAA 2018, CAA 2021, CAA-GR 2014, CAA-GR 2016, CAA-GR roundtable sessions 2020.
