

## CAA-Estonia 2012 Annual Report

CAA-Estonia was founded during CAA 40th conference in Southampton on the 27th March, 2012 by five CAA members (Hembo Pagi, Marge Konsa, Priit Lätti, Kaarel Sikk and Allar Haav).

The current number of the members of CAA-Estonia is 13.

Members of CAA-Estonia are united by mailing list [estoniachapter@caaconference.org](mailto:estoniachapter@caaconference.org)

### Activities:

- Seminar session about the CAA 2012 conference

Date: April 24, 2012

Venue: Dept of History and Archaeology at the University of Tartu.

Participants of the CAA shared the conference experience with Estonian archaeological community. Overview of the event by Hembo Pagi <https://acrg.soton.ac.uk/blogs/1049/>

- CAA-Estonia organised a seminar session about photogrammetric methods in archaeology.

Date: June 6, 2012

Venue: Dept of History and Archaeology at the University of Tartu.

Kaarel Sikk gave an overview of photogrammetry in archaeology and introduced the program Agisoft to the members of CAA-Estonia and students of archaeology.

- September 16–20, 2012. CAA-Estonia hosted the visit of Graeme Earl from CAA-UK. Graeme Earl held two public lectures:

Lecture „Collaboration and Communication: Digital Humanities Research at Southampton University“ at the University of Tallinn on the 17th of September, 2012;

Lecture „Digital Archaeologies: Imaging, Fieldwork and Simulation of the Ancient World“ at the University of Tartu on the 19th of September, 2012.

- The annual meeting of CAA-Estonia.

Date: January 3, 2013

Venue: Dept of History and Archaeology at the University of Tartu.

Participants: All 13 members were presented.

Agenda: Introduction of the CAA to the new members; summary of the last year's activities of CAA-Estonia; discussion of future plans.

Marge Konsa
