

CAA-NO 2012 Annual Report

CAA-Norway arranges two-day-conferences and one-day-seminars in alternate years. Its fifth event was a two-day conference held at the Museum of Archaeology, the University of Stavanger, 15. – 16. October 2012. The conference was sponsored by the Museum of Archaeology, the Museum of Cultural History, the University of Oslo, and the Directorate for Cultural Heritage.

This was the first time the conference was held outside of Oslo. There were 64 registered participants and in addition museum staff in Stavanger was naturally free to attend the lectures. Over the two days 25 papers were given, inspiring discussions during the sessions and breaks. The sessions addressed topics such as Open data, Databases, GIS, Mobile web-applications, Digital field documentation, Geophysics and LIDAR.

CAA-N will get new web-pages this spring, and is also present on Facebook.
